FREIGHT-PAY
FACILITATING ONLINE PAYMENTS FOR FIATA MEMBERS
www.freight-pay.com

International Federation of Freight Forwarders Associations
The global voice of freight logistics
Freight-Pay is a custom platform developed for FIATA members to facilitate transactions between members. It offers user-friendly features to manage payables and receivables, allowing to keep track of all transactions through a single tool.

**TOP FEATURES**

- **Deposit/withdraw funds:** Easily manage your pre-funded account. Three available ways to add funds to your account: ACH, Wire Transfer or Cheque
- **Make/receive payments:** Select the receiver, type the amount, choose the payment date, describe your payment, attach documents – if necessary – and approve: payment done!
- **Advanced search through transactions:** Search for past and pending transactions with ease using filters, such as member, transaction type, status, transaction number and amount
- **End-to-end encryption:** Imperva/Incapsula web security, SHA512 password encryption, JWT tokenization

**KEY BENEFITS**

For FIATA members:

- Register automatically as both payer and receiver so you can easily send and receive money to and from other members
- Benefit from a transaction fee of only USD $2 for each payment made between members
- Enjoy the flexibility of online payments and the possibility to group several invoices into a single transaction
- Relax and rely on Freight-Pay’s best-in-class security features

As a payer:

- Process payments to FIATA members worldwide
- Refund assistance and support available 24/7

As a receiver:

- $0 cost to receive payments
- Easy recognition of payments
- Funds are applied immediately when paid by another FIATA member

**FREQUENTLY ASKED QUESTIONS**

1. **What is Freight-Pay?**

   Freight-Pay is an online payment solution for FIATA members that facilitates transactions between members. FIATA members can send and receive money to and from other members, worldwide.

2. **Is the platform free to use?**

   There is no registration fee to use Freight-Pay. There is a USD $2 fee per transaction between FIATA members and a $15 fee when depositing money via Wire Transfer.

3. **What are the payment options available? Is the credit facility available for FIATA members?**

   Freight-Pay offers a pre-paid account solution for FIATA members. There is no credit facility available.

4. **What is the different between Freight-Pay and PayCargo?**

   Freight-Pay is a custom solution developed exclusively for FIATA members. Freight-Pay is developed by PayCargo, but the platform is separate from PayCargo’s solution and has a different scope. Freight-Pay is multimodal, worldwide and was created to facilitate transactions between FIATA members, whereas Pay Cargo’s primary focus is on US maritime and aviation payers and vendors.
